

Pre-Bid Meeting Questions

INVITATION FOR BIDS SNOW REMOVAL SERVICES TWEED-NEW HAVEN REGIONAL AIRPORT

- 1. Will the airport provide location for snow piles in the parking lots?**
The airport will provide several locations to pile snow in the parking lots. Parking spaces may be sectioned off to provide the necessary space.
- 2. Does the airport provide salt and sand or is that provided by the contractor?**
Sand and salt will be provided and will be located in the airport maintenance building. The vehicles will be loaded as needed for ice and snow removal.
- 3. DBE Requirements.** There is a Disadvantaged Business Enterprise component to the contract. Further information is listed in the RFP.
- 4. Does the contractor have to return to clean up area that had snow from vehicles blocking? Or return to treat and clean up areas that have frozen up after?**
The contractor may be asked to return to clean up these areas or refreezing at an hourly rate at the discretion of the authority.
- 5. Is the walkway outside the airport part of the contract responsibilities as well? (e.g. the Burr Street walkway).**
The areas that are part of the contract are listed in the RFP diagram. Any areas outside of the diagram are not part of the contract requirements.
