## NOTICE OF AVAILABILITY

NOTICE OF PUBLIC COMMENT PERIOD  
REQUEST FOR COMMENTS AND PUBLIC WORKSHOP  
DRAFT ENVIRONMENTAL ASSESSMENT (EA) FOR TWEED NEW HAVEN AIRPORT

In accordance with the National Environmental Policy Act (NEPA), the Tweed New Haven Airport Authority is releasing a Draft Environmental Assessment (EA) that will be available for public review and comment. The EA addresses the foreseeable environmental, social, and economic consequences associated with the proposed extension of Runway 02-20 and construction of a new airport terminal ("East Terminal") and associated facilities at Tweed New Haven Airport. The analysis of potential environmental impacts in the EA was conducted in accordance with FAA Order 1050.1F, "Environmental Impacts: Policies and Procedures."

The purpose of the Proposed Action is to provide airfield and terminal area facilities to accommodate existing and reasonably foreseeable aircraft operations and passenger volumes. The Project would address operational constraints through the runway extension and replacement of existing terminal with a new East Terminal. This would include associated landside (parking and roadways) infrastructure and aircraft parking areas in a manner that efficiently utilizes the available land within the airport developed footprint.

The document is available for review during a 45-day comment period beginning March 2, 2023 at the following locations, during normal business hours:

Hagaman Memorial Library  
227 Main Street  
East Haven, CT 06512

New Haven Free Public Library  
Stetson Branch  
197 Dixwell Ave  
New Haven, CT 06511

Ives Main Library  
133 Elm St  
New Haven, CT 06510

New Haven Free Public Library  
Wilson Branch  
303 Washington Ave  
New Haven, CT 06519

New Haven Free Public Library  
Fair Haven Branch  
182 Grand Avenue  
New Haven, CT 06513

James Blackstone Memorial Library  
758 Main Street  
Branford, CT 06405

New Haven Free Public Library  
Mitchell Branch  
37 Harrison St  
New Haven, CT 06515

An electronic copy of the Draft EA can be accessed at [www.tweedmasterplan.com/nepa-documents](http://www.tweedmasterplan.com/nepa-documents) and [www.flytweed.com](http://www.flytweed.com).

The public is invited to attend a public information workshop and hearing for the Draft EA on Saturday, April 1, 2023. The public is encouraged to attend this "open house" style meeting to get more information and to ask questions from 10:00 AM to 1:00 PM. The formal hearing and public comment session will be held following the workshop from 1:30 to 3:30 PM.

MEETING LOCATION:  
East Haven High School  
35 Wheelbarrow Lane  
East Haven, CT 06513

Language translation services for Spanish speakers will be available. For additional language translation services, special communication or accommodation needs, please contact the project team five business days prior to the meeting at (929) 506-8918 or [specialrequests@mjinc.com](mailto:specialrequests@mjinc.com). The workshop location is ADA compatible. Every reasonable effort to accommodate special needs will be made.

The FAA encourages parties to review the Draft EA and provide written comments during the public comment period. Please be aware that your name, physical address, email address, or other personally identifiable information in your comment may be available to the public at any time. You may include a request to withhold your personal identifying information; however, the FAA cannot guarantee that they will be able to do so.

Written comments will be accepted until April 16, 2023 to via mail or email at:

HVN-EA Public Comments  
McFarland Johnson  
49 Court Street, Suite 240  
Binghamton, NY 13901  
[hvn-ea@mjinc.com](mailto:hvn-ea@mjinc.com)

The document will be available for review beginning on March 2, 2023. Comments received on the Draft EA in writing on or before the close of business on April 16, 2023, will be considered and addressed in the Final Environmental Assessment (FEA) for the proposed action. Based on a review of the FEA, the FAA will determine the significance of potential impacts and either issue a Finding of No Significant Impact (FONSI) or require a more detailed study.

Did you know... The National Cancer Institute notes that while more research is necessary, studies have indicated the potential benefits of cannabis in helping cancer patients overcome the pain associated with the disease. According to the NCI, a preliminary study of 11 patients with chronic pain who combined approved cannabis with morphine experienced improved pain relief compared to patients who took only morphine. However, combining approved cannabis with opiate, a narcotic pain reliever and morphine suggests that it is similar to morphine, but not produce significantly greater pain relief. In addition, two small studies indicated that delta-9 THC, the main active cannabinoid in marijuana, helped to relieve pain as well as nausea and vomiting. A second study indicated that delta-9 THC given to cancer could provide a pain relief similar to that provided by codeine, a pain reliever drug derived from morphine. The NCI also cites a study that indicated a cannabis plant extract medicine effectively relieved pain when sprayed under the tongue of advanced cancer patients whose pain was not relieved by strong opioids alone. That study also indicated that some patients were able to consume to control their cancer related pain without needing higher doses of the cannabis spray or higher doses of other pain medications they were taking.
